**CONCLUSION**

Before I conclude my report, I thank God Almighty for all the blessings he has showered on me, on this institution and on all our endeavors during the academic year through the intercession of our heavenly patron St. Joseph and of Saint Kuriakose Elias Chavara.

Management is doing things right and leadership is doing the right things. We are most happy to have Rev. Fr. Scaria Ethirettas our manager. Thank you father, for being our manager and leader.

I place on record my gratitude to Fr. Dr. Thomas P.J, Administrator of the college for his moral support, valuable suggestions and timely help for the efficient functioning of this college. I extend my profound gratitude to my colleagues of the B.Ed. and M.Ed. courses for the full support rendered to me all along. I express my heartfelt thanks to the administrative staff of this college for their decorum and sincerity in carrying out the administrative work. I deeply appreciate and put on record my sincere thanks to the former students and PTA members whose cooperation and good will were ever at our disposal.

My loving students of B.Ed. and M.Ed., I acknowledge with gratitude your sincere and wholehearted co-operation for each and every event throughout the year. I am sure the young teachers who graduate and leave the portals of this Alma mater will scale great heights and commemorate the elegance of this institution. I wish you all success in the coming examinations and in your future life.

Once again thanking you all, let me conclude this report,
